

Field Trips

Thank you for thinking of the U.S. Botanic Garden as an extension of your classroom. Whether through the lens of science, art, storytelling, or curiosity, we offer amazing opportunities for plant-based learning. There is no cost associated with our field trips or field trip resources. We look forward to your visit!

We are currently only booking reservations for virtual field trips. Our virtual field trip is designed for grades 3, 4, and 5 and is available on Tuesdays and

Virtual Field Trip

- **Live, Instructor-Led**
- **Number of Students: 10-25**

This immersive, interactive 45-minute virtual field trip takes students behind the scenes for a close up look at our plant collection, to learn from our plant care for these plants, and consider the science of how plants work. This virtual field trip is offered on Tuesdays and Fridays. Time is selected by teacher.

Grades 3, 4 and 5

- **Think Like a Botanist:** Students are challenged to think about how plants adapt to different environmental factors, identify adaptive traits, and how these plants survive.
