You are welcome to bring your students to the Garden during opening hours (10:00am - 5:00pm daily) for self-guided exploration. These visits are teacher/chaperone directed, and not facilitated by USBG educators. There is no-cost for field trips, however pre-registration is required. Click below to learn more about our field trip experiences.

Thank you for thinking of the U.S. Botanic Garden as an extension of your classroom. Whether through science, art, storytelling, or curiosity, our living classrooms offer amazing opportunities for plant-based learning. To explore our different educational offerings, book and plan your field trip, and explore professional development opportunities, click on the boxes below.
