

Lady Jane Amaryllis

Plant Botanical Name:

Hippeastrum

Plant Sub Species or Variety:

'Lady Jane'

USBG Plant Location:

Conservatory

Although referred to as *Amaryllis*, *Hippeastrum* is the genus of bulbs from South America, while *Amaryllis* is the genus from South Africa. Hardy to zone 8, these are easy to force indoors, and are common during the winter in colder climates. 'Lady Jane' is a double-flowering amaryllis with white-striped red flowers.
