

Tours at the U.S. Botanic Garden

As a living plant museum, there is so much to take in at the U.S. Botanic Garden! Consider a guided tour to learn more about the Garden's plants or collections.

Guided Tours

Free 45-minute highlight tours of the U.S. Botanic Garden Conservatory may be available on the day of your visit. Please check at the Visitor Information Center for details.

Tours on specialized topics or temporary exhibits are scheduled seasonally. Please check our [calendar of events](#) to see what may be available as you plan your visit.

Group Tours

Groups of 10 to 15 adults may reserve a free 45-minute guided tour of the Conservatory at 10:30 a.m. or 1:30 p.m. Monday through Friday. Reservations must be made at least 2 weeks in advance. To arrange a group tour, please email usbgtours@aoc.gov, fill out our [Tour Request Form](#), or call (202) 226-2055.

Due to high visitation and traffic flow throughout the Garden, no group tours are scheduled during the Cherry Blossom Festival, National Peace Officer's Conference, and immediately preceding and following Independence Day, and Veteran's Day through the end of the USBG's holiday show *Season's Greenings* (end date varies by year, but is the Sunday following New Year's Day). However, groups are more than welcome to visit the Garden during this time.

Due to the group-size limitations and the in-depth nature of our tours, the U.S. Botanic Garden does not offer tours for children or school groups. Please contact us for more information about planning a trip to the USBG, including age-appropriate activities.
